3. Gender – Female candidates only
4. Weight – Minimum 43 kgs Maximum 65 kgs
5. Height – Minimum 150 cms

WHAT IS THE SELECTION PROCESS?

The entire process will be completed in 4-5 hours on the same day. Result will also be announced on the same day. The tests schedule on the day of recruitment will be as follows:

1. PDT test – psycho diagnostic test
2. Knowledge test
3. Practical test
4. One on One Discussion – HR discussion

WHAT IS THE TRAINING SCHEDULE AFTER SELECTION?

1. TATA Electronics Private Ltd will provide training for a period around 12 days at Hosur free of cost along with free accommodation and food.
2. On successful completion of training and clearing assessments, Job offer letters will be given.

WHAT IS THE SALARY?

Every employee who joins as an entry level operator will be provided with the following:

1. Gross Salary (CTC) of Rs. 15,000 per month, in the first year
2. A nominal amount will be deducted from the salary towards food, accommodation, and transport as per the company policy

WHAT ARE THE BENEFITS FOR EMPLOYEES?

Tata electronics will provide -

1. Subsidized food, accommodation, and transport facility
2. **Opportunity to pursue BSc degree after 1 year completion of tenure in Tata Electronics from a reputed university**
3. A safe & secure work environment
4. Hostel facility for employees with all the necessary security
5. Great learning opportunities within the organization, e.g. dedicated English speaking classes, yoga training
6. Opportunities to pursue graduation after the company's proposed tie-ups with educational institutions
7. Health insurance policy for employees and dependents
8. PF for employees
9. Annual leaves and holiday leaves
10. Active POSH policies and committee for girls' security
11. 24*7 hospital support – dedicated occupational health centre and ambulance services in the company and hostel premises
12. Annual health check-ups
13. All benefits according to legal and regulatory acts like minimum wages, PF etc are being provided.

Kind Regards,

Jaishankar D
