Objective of the Tour:

Main objective of the tour is to visit the birth place of renowned litterateur Bibhutibhusan Bandopadhyay and a local museum and to make the students acquainted with the concept of Historical Tourism.

Outcome of the tour: The students enjoyed the tour very much. They got an opportunity of practical class in which they learned about the concept of Historical Tourism which refers to visiting a place of much importance from historical perspective with the primary purpose of exploring the History and Heritage of a place. The teachers could explain to them that by bringing revenue to Historic Sites, Ruins and Mousoleums, tourism has the potential to enhance and safeguard Heritage and Culture and

promotes preservation of local traditions, customs and culture. The students were able to understand after the tour that well trained students may opt for the profession of a learned guide in future.
