Khatra Adibasi Mahavidyalaya: A Brief History

It was the ardent zeal for advancement and enlightenment of higher education that prompted the people of South Bankura to establish Khatra College (H.S. Unit) in 1976. The University of Burdwan has granted affiliation to Degree College known as “Khatra Adibasi Mahavidyalaya” in 1979 to introduce in its premises two courses, Arts and Commerce (General). The college was inaugurated by the honourable Chief Minister, Govt. of West Bengal, Sri Jyoti Basu on November 18, 1979. With this august inauguration, a new era had its beginning in the sphere of higher education in this educationally backward belt. The transformation of this college from Khatra College (H.S. Unit) to ‘Khatra Adibasi Mahavidyalaya’ has a glorious history of its own and inclusion of the term “Adibasi” is just – the mark of a sincere tribute to heroic rebellion of the tribals of this belt against British Rulers some 160 years back. The long drawn struggle has gone down in history as a great event, widely known as the “Santal Vidroha”. The institution is committed to instilling into the mindsets of the students the sense of freedom from all prejudices and insists of enhancing human values with utmost care and attention.

Far away from din and bustle of the town and situated in the natural setting surrounded by trees of various species, the campus provides a harmonious atmosphere for academic pursuits. The college is about 3 Kilometers away from the Sub-Divisional town of Khatra and located beside the Bankura – Jhilimili highway. It is under the Baragarh Mouza of the Supur Gram Panchayet.

As a co-educational institution, Khatra College (H.S. Unit) started its onward journey with the Higher Secondary section and later on with all Non-Teaching Staff, movable and non-movable assets have been merged with this institution being renamed ‘Khatra Adibasi Mahavidyalaya’.

The establishment of this Degree College has witnessed years relentless efforts. It is true that donation of people from all parts of life either in the form of cash or kind paved the way for its establishment. Donation of plots of land by some benevolent families of Supur, Maklara and Kandnasole Mouza of Khatra those deserve special mention. For this the college has now more than 24 acres of land. Donation of a big tank named as “ Biswas Pukur ” by Raja Bahadur of Khatra for cultivation of fish is a noble gesture and worthy of record.

Since inception of the institution, the college authority has been able to enhance the infrastructure in order to accommodate increasing number of students. With the gradual extension of infrastructural capacity, new subjects, carrier oriented courses, honours courses and streams are being introduced in a phased manner. Degree Science Course (General) had been inaugurated by Sri Partha De, The then Honourable Minister of Secondary Education, Govt of W.B. on 5th August 2008. The college has opened Remedial classes & Special Coaching to Entry into Services for SC, ST, OBC & minority communities with the financial assistance of UGC from the year 2010.
