Perspective plan of Department of Commerce for next 05 years

(2024-25 onwards)

The Department of Commerce is likely to focus on several key areas over the next five years (2024-2025 onwards) to address evolving economic conditions and global trends. Here are some general perspectives and future plans that commerce departments might adopt:

1. To carryout sensitization programme for the popularity and familiarity for the subject and its relevance in the job market among its stakeholders i.e. the pass out as well as current students in the neighbouring schools. Therefore, we hope this programme will enable us to get more students in our departments.
2. To undertake skill and job-oriented programme in collaboration with Indian Stock Exchange, ICWA and other professional institutions, thereby making the department more popular among students.
3. Opening of Online Free Access Repository comprising of Primary Texts and Secondary References, Class Notes and Faculty's publication in non-editable format as a resource bank for present and future references and study.
4. Opening a Language Lab for facilitating soft skills and Personality Development Training.
5. To undertake regular visit programme to the CA Farms, Banking Institution and other Business Organization thereby enable students to visualize the effectiveness of perusing commerce subject.
6. Enhancing the framework for digital trade to facilitate cross-border e-commerce, including measures to support digital payment systems and cybersecurity.
7. Launching programs to upskill the workforce in areas like digital literacy, data analysis, and international trade.
8. Organize State and National Level Seminars sponsored by UGC in the department.
9. Conduct guest lectures inviting experts from different branches of Economics and Accounting & Finance.
10. Engage faculty and students in interdisciplinary lectures and projects from Economics Department or journals, organizing seminars, invited lectures and preparing course modules.
11. Motivate faculty members to pursue research and publication, participating in seminars, workshops, faculty development programs, orientation and refresher courses which will enhance their teaching skills and their research acumen.
12. Encourage students to contribute to departmental Wall magazine every year where they can contribute self-painted pictures, paper cuttings on important economic events, collage etc.
13. Encourage cultural events organized by students to showcase their extracurricular talents involving performing arts.
14. Arrange classes on basic computer skills consisting of Microsoft Paint, Word, Excel and PowerPoint, Email, Pdf making and Scan.
15. Opening of Online Free Access Repository comprising of Primary Texts and Secondary References, Class Notes and faculty's publications in non-editable format as a resource bank for present and future references and study.
16. Emphasis must be laid on ICT enabled teaching and use of multi-modal facilities for making Teaching-Learning experiences exciting and impactful.
17. Motivating faculty members to pursue research and publication, participating in seminars, workshops, faculty development programs, orientation and refresher courses which will enhance their teaching skills and their research acumen.

These plans reflect a broad vision for fostering a robust, resilient, and forward-looking commerce sector. The exact focus and implementation strategies will depend on specific priorities, current challenges, and opportunities.
