The Rights of SC, ST, and OBC Communities as Enshrined in the Indian Constitution Session-2023-2024

The SC & ST Cell and OBC Cell of Khatra Adibasi Mahavidyalaya take immense pride in announcing the successful organization of an awareness programme dedicated to the rights of SC, ST, and OBC communities, in accordance with the Indian Constitution. Held on the 13th of September 2023 at the Language Lab, this event was designed with a specific focus on inspiring active participation from students. Through engaging presentations, insightful discussions, and interactive activities, students were provided with a comprehensive understanding of the legal protections and fundamental rights afforded to marginalized groups in our society. The Language Lab buzzed with enthusiasm as students shared their perspectives, asked questions, and contributed to the meaningful dialogue surrounding issues of equality, social justice, and empowerment. The success of this programme is a testament to the dedication and commitment of both the organizers and the participants. By prioritizing student involvement, we created a platform where voices were heard, awareness was raised, and bonds were strengthened within our college community. As we reflect on the impact of this event, we are reminded of the importance of education and advocacy in promoting inclusivity and equality. The SC & ST Cell and OBC Cell extend their heartfelt gratitude to all those who contributed to the success of this initiative, and we look forward to continuing our journey towards a more just and equitable society.
