Findings of DVV

1) Provide Links / uploads of Photographs (preferably with banner) and any other supporting document of relevance should have proper captions and dates 2) Can be supplemented with media reports of the events.

Response of HEI: Owing to the size restriction of the supporting documents (5 MB) we are providing links of all the extension and outreach events conducted during the assessment period by NSS and NCC. The links contain detailed reports of the events including Geotag photos, attendance list of the participants, banner. Kindly click the links to find the same. As per suggestion, we have not included national observation days and Yoga Day or Women Day celebration in this metric. We have only included NSS regular activities conducted at adopted villages, neighbouring locality and also campus programs pertaining involvement of local community.

Supporting Documents: Attached link of the events conducted during the assessment period.
