

# DVV Clarifications

## Metrics Level Deviation

### 5.1.2

Following capacity development and skills enhancement activities are organised for improving students' capability

- Soft skills
- Language and communication skills
- Life skills (Yoga, physical fitness, health and hygiene)
- ICT/computing skills

HEI Input: A. All of the above

DVV suggested Input: C. 2 of the above

Change Input: A. All of the above

### Findings of DVV

- 1) Provide Soft copy of Circular /Brochure.
- 2) Web-link to particular program/scheme/ Report of the event
- 3) Photographs with date and caption for each scheme or event
- 4) List of programs conducted and the number of students enrolled for each of the events.

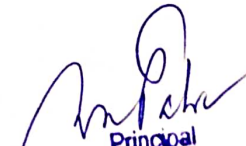

**Response of HEI:** Capacity development and skills enhancement activities are organized to improve students' capabilities. The integration of ICT classes, soft skills training in the Language Lab, seminars, workshops, and e-study materials through an interactive cloud-based college ERP enriches the ICT learning experience. Additionally, certificate courses like Spoken Sanskrit and Communicative English & Personality Development complement language and communication skills.

Value-added courses, such as Yoga Philosophy, Health and Wellbeing, explore different philosophical perspectives. Celebrations like International Yoga Day highlight the holistic significance of yoga. The NSS units celebrated International Yoga Day, with many students participating in yoga and meditation sessions. These activities helped students realize the vital role yoga and meditation play in improving concentration and boosting confidence.

Students also recognized the importance of bicycles in maintaining a pollution-free environment and contributing to good health. Hygiene promotion through campus cleaning activities is emphasized, with the installation of sanitary napkin vending machines, automatic sanitizer dispensers, and soundless generators to ensure safety and convenience. A modern gymnasium caters to students' physical fitness needs along with NCC Shooting Range and a vast playground.

**Re: Invitation Letter**

Sir/Madam,

It is our honour to inform you that IQAC, Khatra Adibasi Mahavidyalaya is going to organize a one-day "Orientation Programme on Importance of Language & Communication Skill Development Lab" on 25/09/2019 (Wednesday) from 12 noon onwards in the newly set up English Language Lab under the financial assistance of RUSA 2.0 grants.

It is pertinent to mention that Sri Sandip Pal, Director, Skill Junction Infratech Pvt Ltd. [Patent holder of Interactive, Software Integrated Learning (ISIL) System] will be present along with his team comprising of Sri Jayant Kumar Nath (Associate Training & Content Development) and Sri Chinmay Ghosh (Senior Technician) for conducting the orientation/demonstration, introduction to interactive courses and hands-on training session related to the contemporary importance of Language & Communication Skill Development Lab.

English faculty members from neighbouring colleges are invited to participate in the said programme. Therefore, we humbly request you to send/allow one English faculty member of your college to participate in this orientation programme.

Your cooperation in this regard is highly solicited, and it is our earnest request to confirm participation of the faculty member by telephone or email.

Thanking you

Yours faithfully
