Session-2020-2021

Brief Reports of Academic Activities

The academic session of 2020-2021 faced unprecedented challenges due to the COVID-19 pandemic, leading to the closure of colleges and the shift to online learning. Despite these obstacles, the Department of English, alongside other departments, embraced innovative solutions to ensure continuity in education. With the aid of interactive cloud-based college ERP systems, the Department of English successfully conducted regular online classes, ensuring that students continued to receive quality education from the comfort of their homes. Moreover, the department organized **Webinar and Digital Departmental Wall Magazine**, providing students with additional learning opportunities and avenues for creative expression. Although physical activities were not feasible, the department and its students adapted swiftly to the new norm. Teachers played a crucial role in guiding students through the transition, providing support and encouragement every step of the way. Through collaborative efforts, both students and faculty demonstrated resilience and determination in navigating the challenges posed by the pandemic. Despite the distance, the spirit of learning and camaraderie thrived, fostering a sense of community even in virtual spaces.
