Annexure 4: Perspective Plan

Perspective Plan of the Department

The study of Economics provides students with a comprehensive understanding of how individuals, businesses, and governments make decisions about the allocation of resources. Graduation degree course in Economics provides a solid foundation in economic principles, analytical thinking, and research skills among students.

The future plan of the department centres around holistic development of students through curricular as well as various student-oriented activities that will enrich the students. The perspective plan of the Department of Economics includes:

- 1) Take initiative for overall improvement of the department.
- 2) Organize State and National Level Seminars sponsored by UGC in the department.
- 3) Conduct guest lectures inviting experts from different branches of Economics.
- 4) Give students experience of small research projects and papers.
- 5) Introduce more ICT enabled teaching methods like smart classroom.
- 6) Open of Value-Added Courses in Economics for students from other departments.
- 7) Engage faculty and students in interdisciplinary lectures and projects from Commerce and History departments.
- 8) Engage in collaborative academic ventures with other institutions like joint publication of ISBN books or journals, organizing seminars, invited lectures and preparing course modules.
- 9) Motivate faculty members to pursue research and publication, participating in seminars, workshops, faculty development programs, orientation and refresher courses which will enhance their teaching skills and their research acumen.
- 10) Encourage students to contribute to departmental Wall magazine every year where they can contribute self-painted pictures, paper cuttings on important economic events, collage etc.
- 11) Encourage cultural events organized by students to showcase their extracurricular talents involving performing arts.
- 12) Arrange classes on basic computer skills consisting of Microsoft Paint, Word, Excel and PowerPoint, Email, Pdf making and Scan.
