MENTOR'S PROFILE

Name: *AKinchan Pal.*

Designation: *SACT*

Department: *Education*

Period: *2021 - 2022*

The Student Mentorship program of the college facilitates constructive interaction & guidance for fresher (1st sem) students by their teachers (mentor). In an academic institute, mentoring is a particular form of relationship designed to provide personal & familial, educational and sometimes professional support to the students throughout the course tenure. The mentor is generally more experienced than the mentee and makes use of that experience in a facilitative way to support and promote the maximum feasible development of the mentee. It is basically a developmental opportunity for both mentor & mentee. In a nutshell, a mentor's role may be perceived to be facilitative, supportive and holistic developmental for the students. They build bridges among stakeholders as follows:

- Principal & Governing Body
- Students & Teachers
- Teachers & Parents
- Teachers & other related Committees & Advisors
- Institute & Alumni.

Objectives

- Creating opportunities amongst student groups & communities for bonding
- Refining teacher-student communication outside classroom
- Maintaining database of student performance, attendance details & drop outs
- Supporting personal & professional growth & monitoring psychological growth & progress
- Identifying special talents, skills, slow learners & passing this information on, to the relevant committees
- Locating & solving attendance issues
- Providing sustained motivation
- Ensuring & providing feedback for parents
- Identifying learning needs
- Assisting in developing values and ethics.

- Building a self confident, bold & an active, enthusiastic student community
- Enhancement of attendance, lesser dropouts and good psychological health of students
- Building confidence among parents (Fulfillment of family expectations)
- Improved student performance in examination and other constructive activities.

In short, Mentoring aspires to transformational positive changes. It augments self confidence, improves peer bonding and prepares mentees for further studies in higher education sectors and career advancement. Often special coaching and counseling are arranged as a prerogative of mentoring according to the situation.
