### PERSPECTIVE PLAN OF EDUCATION DEPARTMENT

The Education department aims to create a dynamic and inclusive learning environment that prepares students to become effective educators and leaders in the field of education. The future plan of the department includes:

- To provide high-quality education, promote research, and foster an environment of continuous learning and innovation in teaching practices.
- Develop a comprehensive curriculum that addresses current educational trends and future needs.
- Enhance faculty development through continuous professional training and research opportunities.
- Foster partnerships with educational institutions and organizations for collaborative learning and research.
- Integrate technology into the teaching and learning process.
- Promote inclusive education and diversity.
- Introduce a robust internship and field experience component to provide hands-on learning opportunities.
- Organize regular workshops, seminars, and conferences on innovative teaching methods and educational research.
- Encourage faculty to pursue advanced degrees and certifications
- Create opportunities for faculty exchange programs with other institutions.
- Encourage faculty and students to engage in research projects related to education.
- Implement Learning Management Systems (LMS) for online and blended learning.
- Train faculty and students in the use of educational technology tools.
- Invest in state-of-the-art technology labs and resources for teaching and research.
- Partner with local schools and educational organizations for student teaching placements and collaborative projects.
- Create a network of alumni who can provide mentorship and career support to current students.
- Monitor enrolment trends and adjust strategies to attract and retain students.
- To promote ICT in Education and proper utilization of OER i.e. Open Educational Resources in further or future studies.
- To encourage and access of Open Repository Sources like eGyanKosh, e-PG Pathshala, Shodhganga etc.

By following this perspective plan, the college can develop a robust and forward-thinking Education department that meets the needs of students, faculty, and the broader educational community.
