ANNUAL REPORT

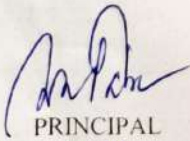

Report of the Anti-Ragging Committee for the Academic Year 2022-2023:

The Anti-Ragging Committee of Khatra Adibasi Mahavidyalaya has been actively involved in curbing the menace of ragging and promoting healthy interpersonal relations among students, both on and off the college campus. The committee, comprising esteemed members and representatives from Khatra Adibasi Mahavidyalaya, remains committed to ensuring a safe and secure environment for all students.

Throughout the academic year, the committee implemented various initiatives to achieve its objectives. On 19.09.2022, the designated members of the Anti Ragging Cell addressed all college students, with a special focus on the freshers. During this session, students received detailed information about the institution's robust anti-ragging measures. Consequently, approximately 1200 students filled out and submitted their anti-ragging affidavits to the respective authorities. Pamphlets were also efficiently distributed, highlighting the severe consequences of ragging.

This proactive approach and awareness campaign led to the absence of any reports of minor ragging incidents on the campus. As a result, the college environment became more conducive to learning and personal growth.

At Khatra Adibasi Mahavidyalaya, we uphold a steadfast zero-tolerance policy against ragging. We firmly believe that every student is entitled to a secure and dignified learning atmosphere.

Our policy framework is structured upon robust pillars:

Adherence to Legal Standards: We rigorously adhere to the "UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009," alongside directives issued by the Supreme Court.

Ragging encompasses verbal abuse, physical or mental harassment, financial exploitation, and any behavior intended to demean or exploit fellow students.

Holistic Prevention Approach: We employ a comprehensive strategy to combat ragging:

Compliance: We obtain anti-ragging undertakings, conduct awareness programs, and fulfill all statutory requirements.

Legal Framework: Ragging is recognized as a punishable offense, and we strictly follow central and state government mandates to enforce appropriate measures.

Principal Oversight: The Anti-Ragging Cell, under the leadership of the Principal, supervises all anti-ragging initiatives.

ANNUAL REPORT

Report of the Anti-Ragging Committee for the Academic Year 2023-2024:

The Anti-Ragging Committee of Khatra Adibasi Mahavidyalaya has been actively involved in curbing the menace of ragging and promoting healthy interpersonal relations among students, both on and off the college campus. The committee, comprising esteemed members and representatives from Khatra Adibasi Mahavidyalaya, remains committed to ensuring a safe and secure environment for all students.

Throughout the academic year, the committee implemented various initiatives to achieve its objectives. On 05.09.2023, the designated members of the Anti-Ragging Cell addressed all college students, with a special focus on the freshers. During this session, students received detailed information about the institution's robust anti-ragging measures. Consequently, approximately 1200 students filled out and submitted their anti-ragging affidavits to the respective authorities. Pamphlets were also efficiently distributed, highlighting the severe consequences of ragging.

This proactive approach and awareness campaign led to the absence of any reports of minor ragging incidents on the campus. As a result, the college environment became more conducive to learning and personal growth. Additionally, in this academic year, the college introduced an enhanced Anti-Ragging Policy to further strengthen its commitment to ensuring a ragging-free environment for all students.
